FOR CLASSES IX & X

Date: 07/06/17

Dear Parent,
Greetings!

We missed the presence of the parents who could not attend the 1st open house meeting for classes IX & X held on 29th April 2017 at 9 am in the school premises. Summary of the meeting and measures adopted from the school are as follows:

1. A presentation was given on the new examination pattern of CBSE for classes IX & X and various points like the marks allotted for periodic tests, notebook submission and subject enrichment activities and the introduction of the Vocational Test (FMM) were highlighted upon.
2. The CBSE cell incharge briefed about the criteria for admission in class XI during the year 2018-19. The same is based on the students' performance in academics in PT1, PT2 and PT3 of Class X (2017).
3. A presentation on the parameters for awarding scores for notebook correction including regularity, completion of work and neatness and upkeep of the notebooks was given by a senior mathematics faculty. Parents were updated on the format where the records would be maintained and aspects like transparency in the whole process were highlighted.
4. Extra high order thinking questions after the completion of every chapter will be given to the students so that they get adequate exposure to a variety of questions. It is not mandatory for the students to do the same and the teachers too would not be bound to correct the aforementioned questions.
5. Students would be counselled and would continue to get guidance on various career opportunities.
6. The in charge of Discipline committee highlighted the importance of attendance, sincerity, behaviour and values in character building and mentioned that discipline would be a deciding factor in grading the students in the co-scholastic area.

With warm regards and an expectation to have better attendance of parents in the next open house.

Principal
