FOR CLASSES VI –VIII

Date: 07/06/17

Dear Parent,
Greetings!

We missed the presence of the parents who could not attend the 1st open house meeting for classes VI –VIII held on 29th April 2017 at 9 am in the school premises. Summary of the suggestions from the parents and measures adopted from the school are as follows:

1. To brief the parents about the latest examination pattern of CBSE, several aspects related to examination like marks for PA, note book submission, and subject enrichment activities were highlighted upon.
2. The parameters for awarding scores for notebook correction including regularity, completion of work and neatness and upkeep of the notebooks were highlighted. Parents were assured that the deadline for notebook submission would be given beforehand through an almanac note.
3. In the meeting the importance of attendance, sincerity, behaviour and values in character building with special reference to discipline as a deciding factor in grading the students in co-scholastic area were stressed upon.
4. Introduction of Radio Frequency Identity Cards for the students and the necessity of using Snap App by the guardians were stressed upon. It was also decided that the school would work towards sending e-mails to the parents regarding any purpose related to academics.

With warm regards and an expectation to have better attendance of parents in next open house.
