**FOR CLASSES III to V**

Dear Parent,  
Greetings!

On the outset, we would like to thank all the parents who attended the 1<sup>st</sup> Open House for the session 2017-18 on 22 April 2017 and for giving us their valuable suggestions. Summary of the suggestions from the parents and measures adopted by the school are as follows:

- A printed slip where the topics in languages for Weekly Test 1 along with the EDAC book number has been provided to the students for ready reference. For Maths and EVS, the information regularly goes through Snap Homework App.
- Blue prints of the question paper pattern for English, Hindi, Math and EVS will be provided to the students one week prior to Weekly Test -1 of that particular subject.
- The librarian guides the students for proper selection of books from the school library. A teacher with sound English knowledge will be appointed to guide the students further.
- Radio Frequency Identity Card (RFID) will be soon introduced to immediately resolve the concern of the parents regarding transport.
- The parents of the newly enrolled students who were acquainted with the concept of Snap Homework App have been provided with the codes for their ward's class for registration.

Thank you for your cooperation. Looking forward to many more valuable suggestions which can help our institution reach greater heights.

With sincere regards

  
Principal
