Dear Parent,
Greetings!!!

Please be notified of the following:

1. Wearing of identity card **around the neck** is mandatory for all students.
2. The school is still in the trial period of sending 'SMS' regarding your ward's commuting to and from school (home to school and school to home). In case any incorrect message is received at your end, you are requested to immediately notify through SMS and forwarding the incorrect RFID msg to the transport in-charge Mr. Sanjay Das (Contact No. 9864026677).
3. For tracking of your wards bus, the GPRS system will be made operational only after the services are stable and the link is established.
4. We shall once again notify to you after full-proofing the system. Kindly bear with us till the configuration issue is resolved.

With sincere regards,

A handwritten signature in green ink, appearing to read 'D. Anand', written over a blue circular stamp.
